Key Features & Benefits

AutoDry™ Drying System

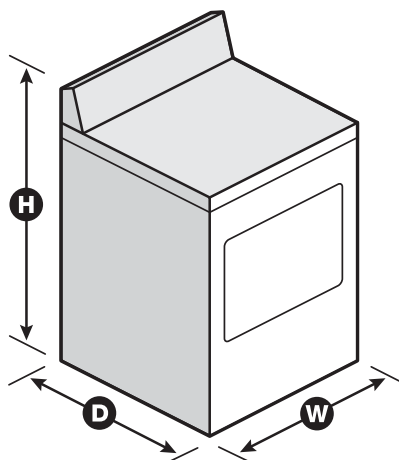

Care for your family's style. The AutoDry™ drying system automatically senses when clothes have reached the right dryness and stops the cycle.

Wrinkle Shield™ Option

Helps keep wrinkles from setting into your clean clothes with intermittent tumbling after the dryer cycle ends.

Timed Dry

Take control of your time. For those occasional times that damp load needs a little extra dry time or when using a drying rack, set the control and you can get your fabrics dried on your schedule.

NOTE: Dimensions are for planning purposes only. For complete details, see Installation Instructions packed with product. Specifications subject to change without notice.
